Eh?!
Perhaps you're looking for this?
Huh? It really is my money pouch!

How did you do that?
It's just my quick reflexes.

Clenches

.....

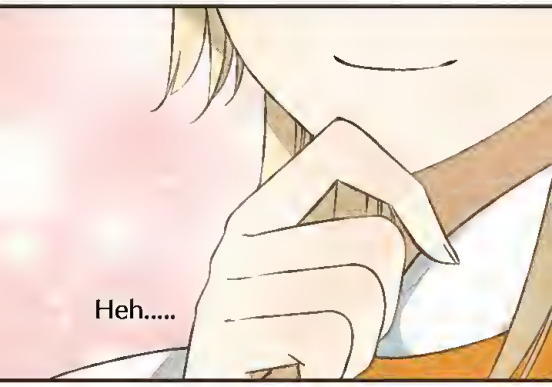
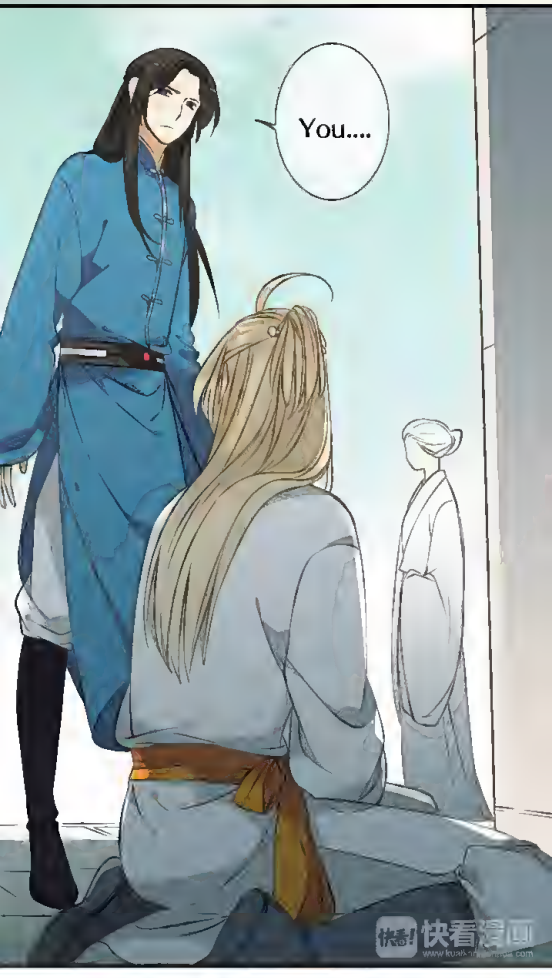
Huh? It's Lianlian.
Uncle, have you seen...
Could he be looking for me?



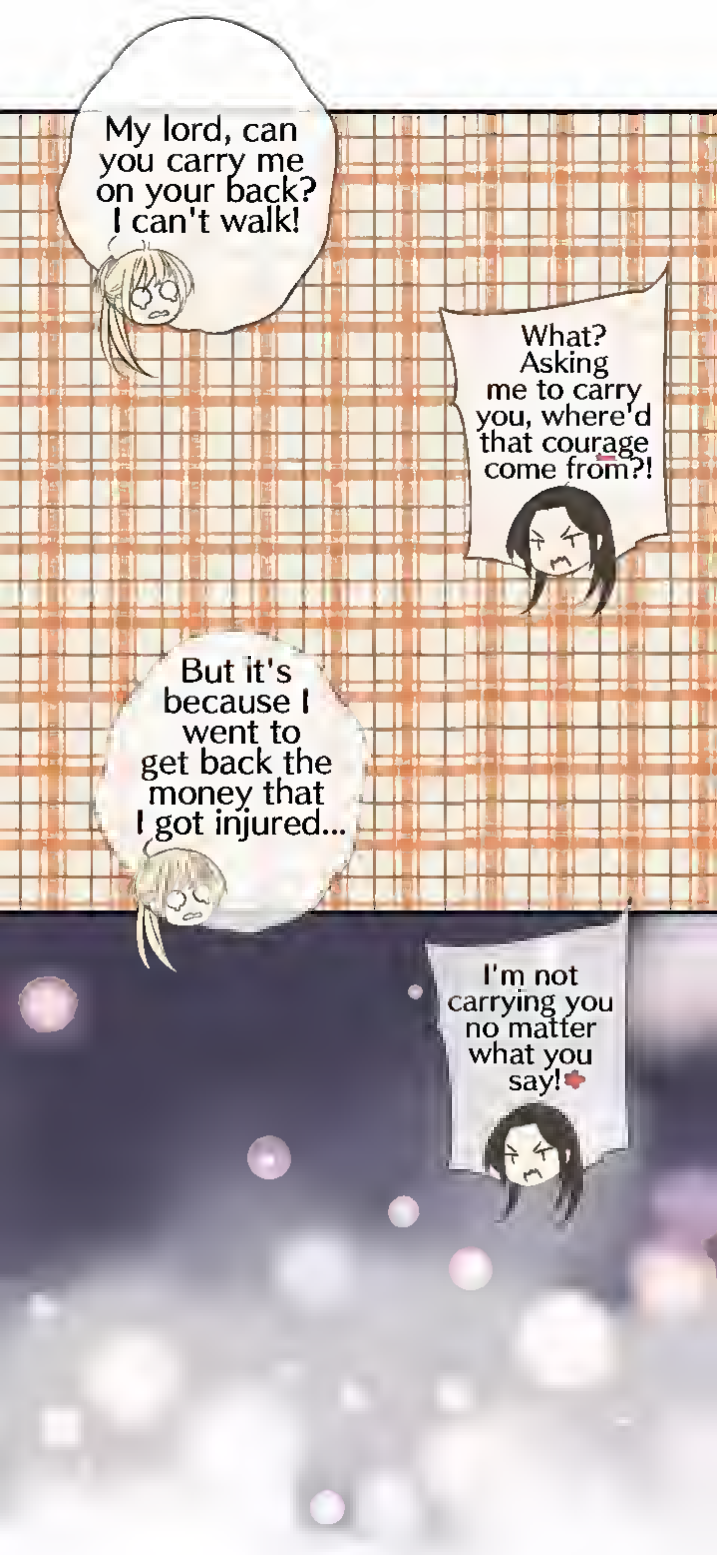
Heh.....

M-my lord,
I'm here...



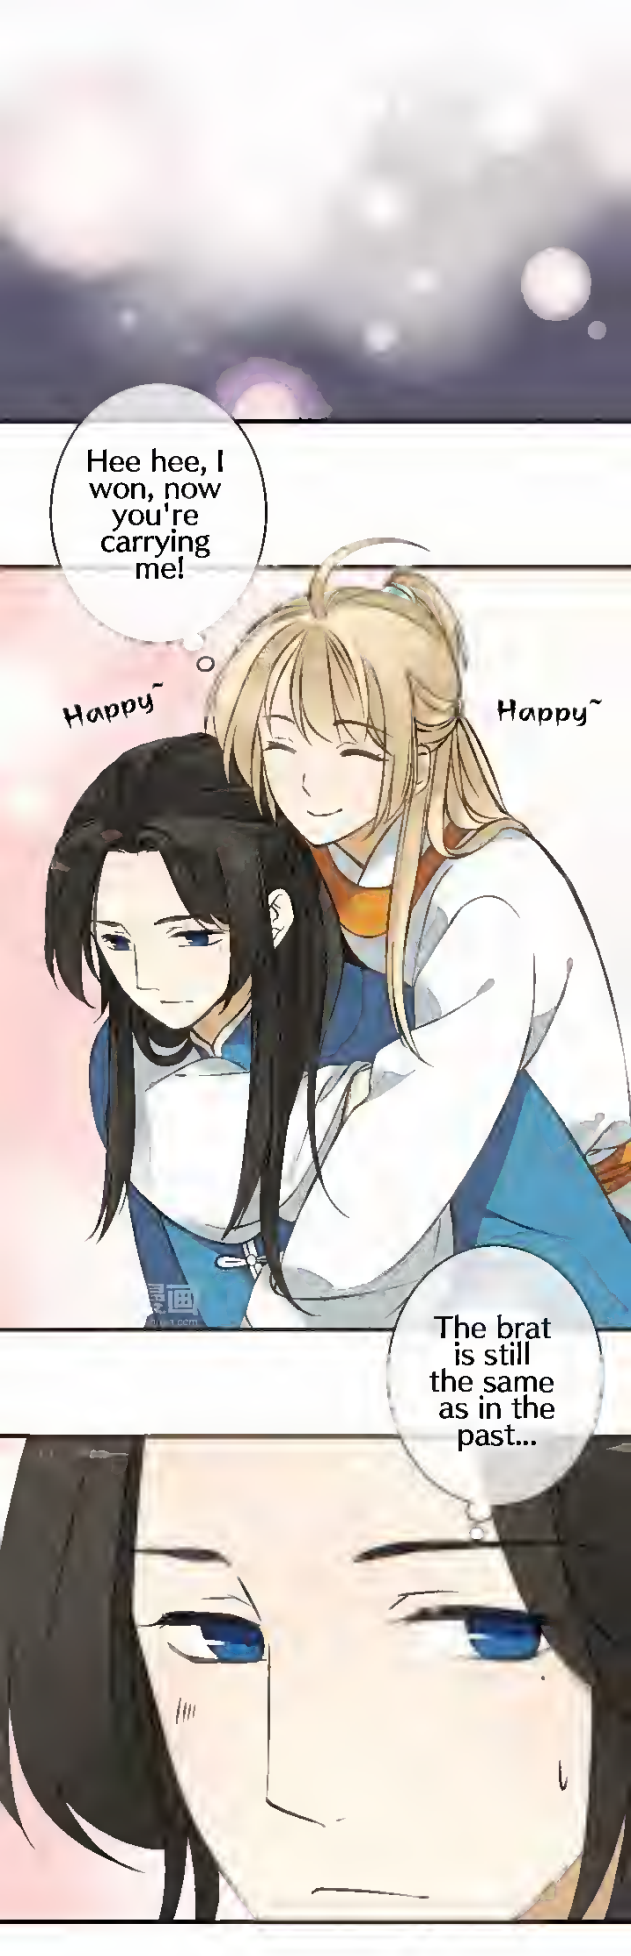
You....

Why the heck are sitting there like an idiot?
I went to chase down a thief just now but I twisted my ankle! Luckily I got my money back though!
Sighs~



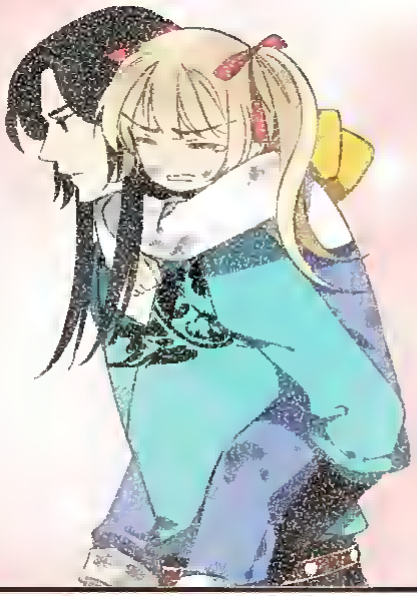
My lord, can you carry me on your back? I can't walk!
What? Asking me to carry you, where'd that courage come from?!
But it's because I went to get back the money that I got injured...
I'm not carrying you no matter what you say!

The result....



Hee hee, I won, now you're carrying me!
Happy~
Happy~
The brat is still the same as in the past...

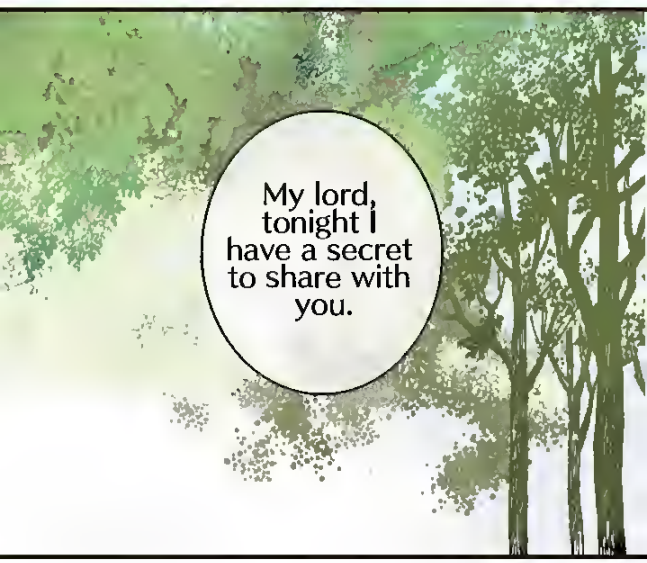
Lianlian also carried me
like this that time...



It feels like a dream...

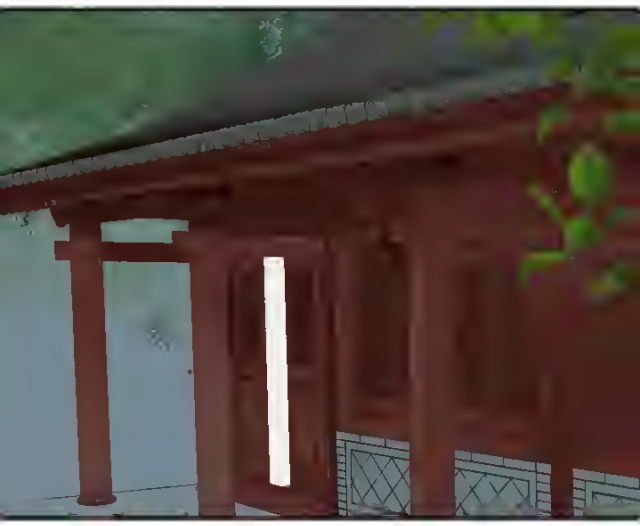
Holds tightly

.....

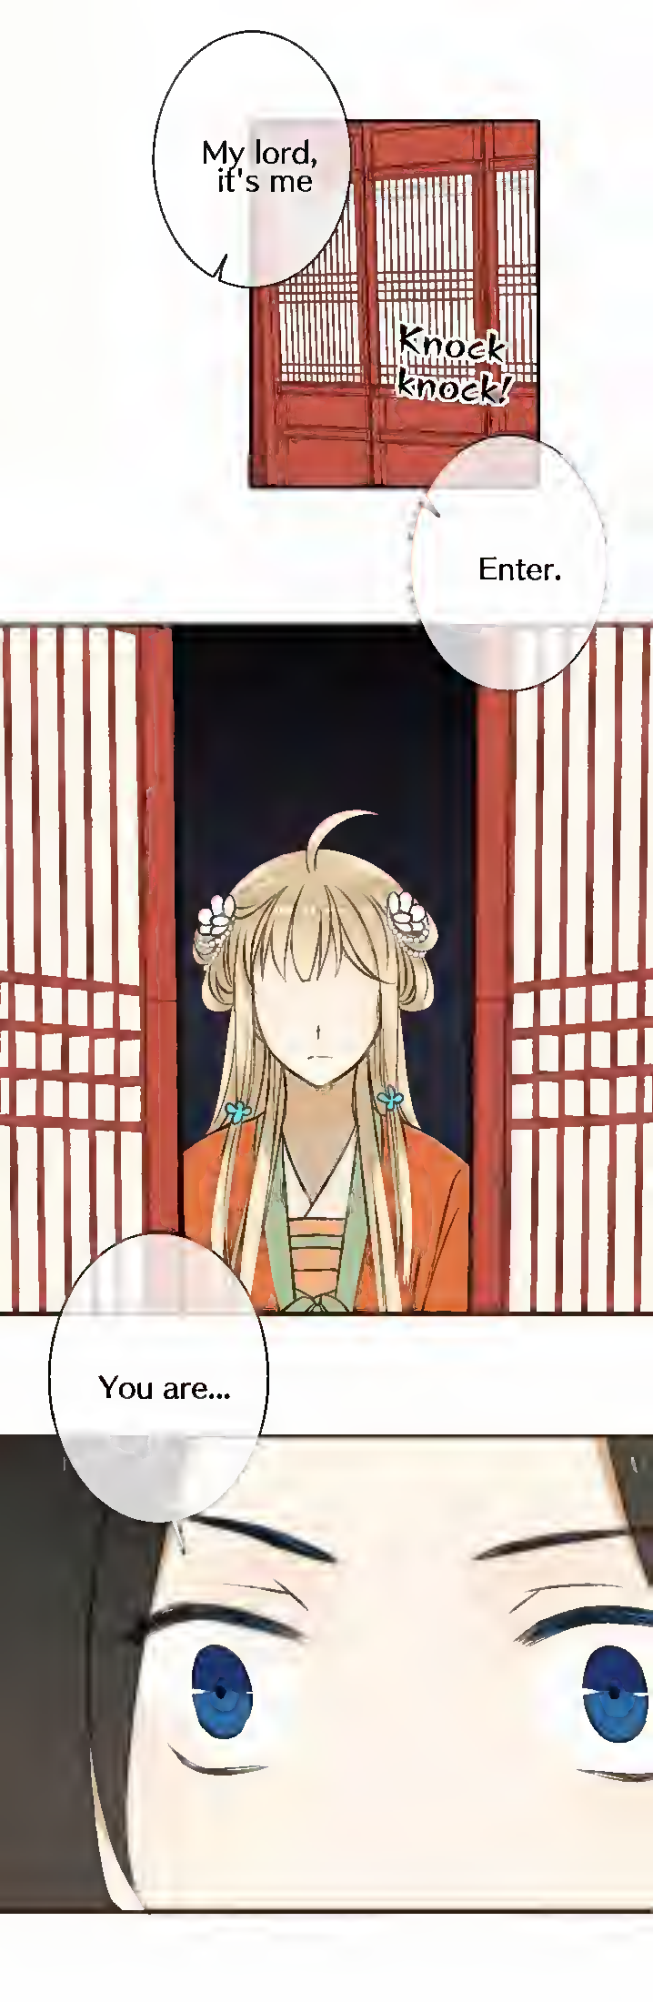


My lord, tonight I have a secret to share with you.

Evening-



What does the brat want to tell me, could it be...



My lord, it's me
Knock knock!
Enter.
You are...

Why are you so surprised, didn't you already know that I was a woman?

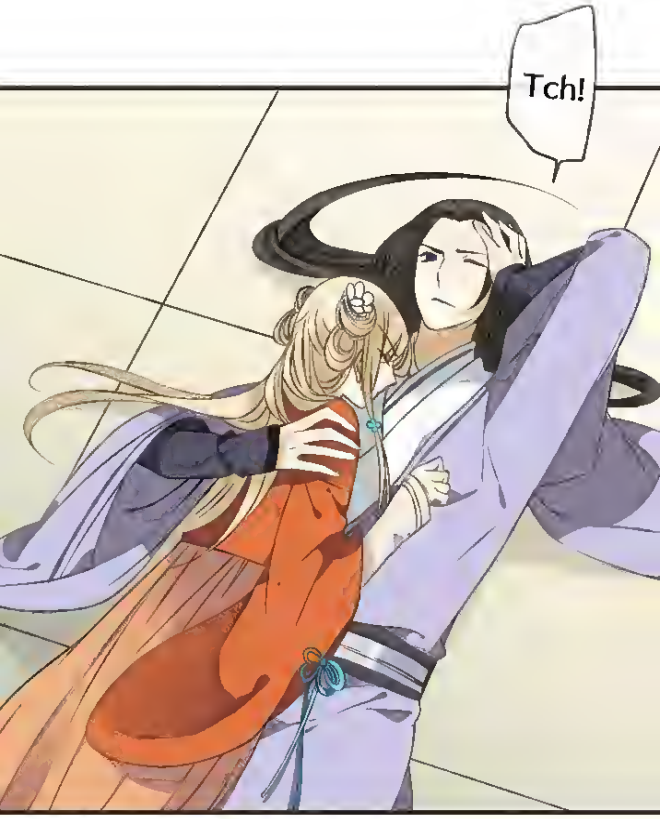
Cough!
Guilty

But that isn't what I came here to say!

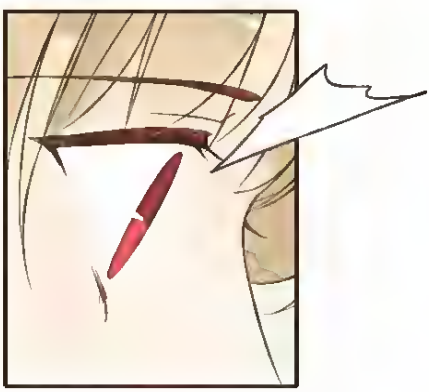
Then...
I wanted to say that I am actually...
Steps
Huh?!

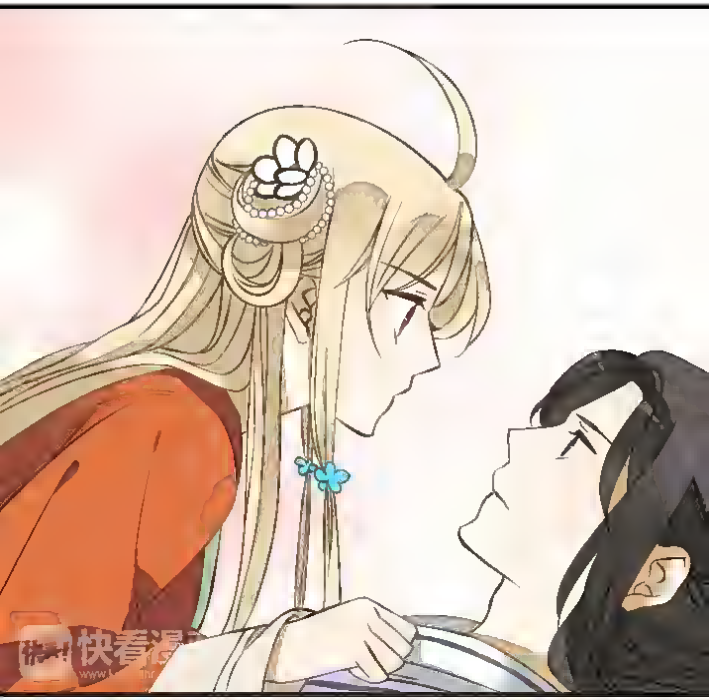
Oh my god I'm going to eat dirt!
Watch out, brat!

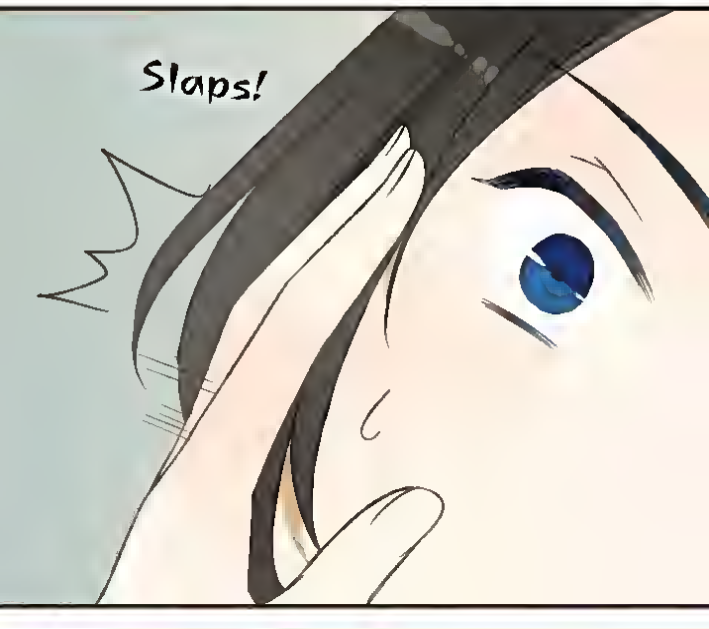
Unstable~
Unstable~
You're stepping on my feet!
Who asked you to have your feet there!
UWAH!!
Falls



Tch!







Slaps!

Hm? Say something! **Lianlian!!**

Wow, they're really going at it! It's all thanks to Xue! Xue is so smart!
